JIGSAW PROJECT MANAGEMENT SOLUTIONS

apm Accredited

ASSOCIATION FOR PROJECT MANAGEMENT
APM PROJECT MANAGEMENT QUALIFICATION (PMQ)

Course Duration

This course is normally delivered in 3 days and consists of tutor presentations, group discussions and individual work on project planning with a closed-book essay-based written examination.

The course is for

- Current project management personnel, with a PRINCE2 qualification
- Personnel wishing to expand their knowledge and qualifications for a project management role
- Organisations wishing to demonstrate they have competent project management personnel.

Course objectives

Attendees:

- will be able to understand the principles of best practice project management
- will be able to confidently sit the PMQ 2 examination
- will be able to demonstrate their competences in project teams in the working environment.

Courses available Inhouse or at Training Centres
