

GRADUATE PROFESSIONAL DEVELOPMENT PROGRAMME

WHAT IS IT?

The CIOB Professional Development Programme (PDP) is available for graduates, or degree students, who want to progress to Chartered membership via a structured and assessed route.

The Programme develops and assesses candidates' occupational competence within a framework of support from their employer and the mentors from Training LMS.

WHO WILL BE MENTORING ME?

Roger Gillespie FCIQB - Managing Director of Training LMS will be assisting you through your entire journey towards gaining MCIQB status.

WHO IS ELIGIBLE?

To register for the PDP you need to have a suitable university degree – which may or may not be accredited by the CIOB and may or may not be in a construction-related profession. You also need to be working in a suitable role, most probably a junior management position. Upon successful completion of the programme you will progress to full Chartered member status (MCIQB).

WHAT IS INVOLVED?

Candidates will be given full support over a suggested 12 – 18 months period that will include phonecalls, skype and emails. This will be used to fully explain each of the competencies, give examples and provide feedback on submitted units.

Units include:

- Managing Health, Safety & Welfare
- Managing Quality
- Planning & Organising Work
- Implementing Sustainable Construction and Development
- Communications
- Decision Making
- Managing Information
- Contract, commercial & legal
- Leadership and Strategic/Financial
- Management
- Managing People or Teams
- Professional Judgement, Responsibility and Ethics
- CPD
