

# APC Support Programme For RICS & SCSi APC Candidates

**Starting**  
21<sup>st</sup> Sept 2023  
**Limited Places**

## **i** Programme Information

**The programme?**  
Training LMS and DeLever bring you an exclusive online Training Programme for the Royal Institution of Chartered Surveyors (RICS) and Society of Chartered Surveyors Ireland (SCSI) Assessment of Professional Competence (APC). Assisting anyone wishing to embark upon their APC Journey. The programme comprises online group and 1:1 support in a professional and structured manner, delivered by APC experts.

**How long is it?**  
The Training Programme comprises a number of live online and recorded resources and 1:1 APC coaching over a 6 to 12 month period. Dates will be coordinated to best fit each programme cohort.

**Programme timeline?**  
We will target each group to the RICS and SCSi bi-annual RICS assessment dates (e.g. May/June and November each year).

## **i** Who is this programme for?

Candidates should either hold a RICS qualifying degree, **OR** have been MCIOB for at least one year and 5+ years relevant experience. CITB sponsorship may be available dependent upon status and region.
