

NVQ Diploma in **Occupational Work Supervision** **CONSTRUCTION**

LEVEL **3**

What are the benefits of NVQs?

A convenient route to qualification for busy supervisors with flexible timing worked around your schedule. A candidate can commence a NVQ at a time during the calendar year that is most suitable for him/her. Assessment based on performance at work.

The successful completion of the L3 NVQ qualification in Occupational Work Supervision enables candidates to take the Supervisor CSCS Health and Safety test and, if successful, qualify for a Gold CSCS.

Minimum number of units that must be achieved

8

Number of mandatory units that must be achieved

6

Minimum number of optional units that must be achieved

2

Qualification Objectives

This qualification is designed for construction operatives who have responsibility for supervising other operatives in occupational areas.

Provision of Assessment

Candidates will be allocated an assessor who acts as mentor and guide throughout the programme. The programme will include an induction which relates to the overall course and provides guidance on how the NVQ is formulated and presented. In addition, candidates will attend for briefing and assessment for each of the units either on site or an agreed location.

Duration

It is normal for candidates to complete the programme in approximately 3 - 12 months, although it is possible to do so in a shorter period. Extensions can be negotiated.

Assessment

Competence is assessed by ongoing assessments against the NVQ standards relating to specific areas of supervision, which include:

- » Confirming work activities
- » Developing working relationships
- » Confirming occupational methods of work
- » Implementing health & safety
- » Coordinating and organising work
- » Monitoring progress

Candidates must prove competence in 8 units, consisting of 6 mandatory and 2 optional units.

COST **£1,350.00** + VAT - Includes registration and certification fees
