

NVQ Diploma in Construction Site

SUPERVISION

LEVEL

4

What are the benefits of NVQs?

A convenient route to qualification for busy professionals with flexible timing worked around your schedule. A candidate can commence a NVQ at a time during the calendar year that is most suitable for him/her. Assessment based on performance at work.

The successful completion of the NVQ 4 qualification in Construction Site Supervision enables candidates to take the Supervisor and Manager CSCS Health and Safety test and, if successful, qualify for a Gold CSCS or CSR Card.

Options

The NVQ route selected will be dependent upon the candidate's working discipline, the options are:

- » *Building and Civil Engineering* – 14 Mandatory + 1 optional unit
- » *Residential Development* - 14 Mandatory + 1 optional unit

Eligibility

This programme is designed for those starting out in a supervisory role, first line supervisors or for assistant site managers within the construction industry.

Duration

It is normal for candidates to complete the programme in approximately 3 - 12 months, although it is possible to do so in a shorter period. Extensions can be negotiated.

Assessment

Competence is assessed by ongoing assessments against the NVQ standards relating to specific areas of supervision, which include:

- » Health, Safety & Welfare
- » Reporting on progress
- » Controlling quality
- » Implementing work
- » Monitoring and control
- » Managing teams and individuals Working relationships.

Candidates must prove competence in 15 units, consisting of mandatory and optional units.

Provision of Assessment

Candidates will be allocated an assessor who acts as mentor and guide throughout the programme. The programme will include an induction which relates to the overall course and provides guidance on how the NVQ is formulated and presented. In addition, candidates will attend for briefing and assessment for each of the units either on site or an agreed location.

COST **£1,595.00** + VAT - Includes registration and certification fees
