

## NVQ Diploma in **Construction Contracting Operations**

MANAGEMENT

LEVEL

6

### What are the benefits of NVQs?

A convenient route to qualification for busy professionals with flexible timing worked around your schedule. A candidate can commence a NVQ at a time during the calendar year that is most suitable for him/her. Assessment based on performance at work. It is a nationally recognised L6 qualification and means personal recognition for existing skills and knowledge.

Candidates would also be eligible to apply for Chartered Membership of the CIOB by way of their professional review application process.

## Eligibility

This NVQ Level 6 Diploma is designed for learners from a variety of roles including estimators, planners, quantity surveyors, buyers, project managers etc who can prove competence in the areas listed below.

## Provision of Assessment

Candidates will be allocated an assessor who acts as mentor and guide throughout the programme. The programme will include an induction which relates to the overall course and provides guidance on how the NVQ is formulated and presented. In addition, candidates will attend for briefing and assessment for each of the units within their workplace or alternative venue.

### Duration

It is normal for candidates to complete the programme between 3 - 12 months, although it is possible to do so through in a shorter period.

## Assessment

**Competence is assessed through ongoing assessment against NVQ standards relating to specific areas of management which include:**

- » Maintaining construction health, safety and welfare systems in the workplace Managing the performance of teams and individuals in the workplace
- » Leading meetings and taking decisions in the workplace
- » Developing and maintaining working relationships in the workplace
- » Managing your own personal development in the workplace

Candidates must prove competence in the 5 mandatory units above, plus 4 units from a choice of 14 optional units.

**COST** **£1,995.00** + VAT - Includes registration and certification fees
