

NVQ Diploma in Construction Site **MANAGEMENT**

LEVEL **6**

What are the benefits of NVQs?

A convenient route to qualification for busy professionals with flexible timing worked around your schedule. A candidate can commence a NVQ at a time during the calendar year that is most suitable for him/her. Assessment based on performance at work.

The successful completion of the NVQ 6 programme in Construction Site Management enables candidates to take the Supervisor and Manager CSCS Health and Safety test and, if successful, qualify for a Black CSCS Card.

Candidates would also be eligible to apply for Chartered Membership of the CIOB by way of the professional review.

Options

The NVQ route selected will be dependent upon the candidate's working discipline, the options are:

- » *L6 NVQ Diploma in Building and Civil Engineering – 19 mandatory + 1 optional unit*
- » *L6 NVQ Diploma in Residential Development – 18 mandatory + 2 optional units*

Eligibility

This NVQ Level 6 Diploma is designed for site managers who can prove competence in the areas listed above.

Duration

It is normal for candidates to complete the programme between 3 - 12 months, although it is possible to do so through in a shorter period.

COST **£1,995.00** + VAT - Includes registration and certification fees

Assessment

Competence is assessed through ongoing assessment against NVQ standards relating to specific areas of management which include:

- » Safe systems of work
- » Manage productivity
- » Environmental and sustainability
- » Organising monitoring and control
- » Teams and individuals
- » Working relationships
- » Communication
- » Physical resource management.

Candidates must prove competence in 20 units, consisting of mandatory and optional units.

Provision of Assessment

Candidates will be allocated an assessor who acts as mentor and guide throughout the programme. The programme will include an induction which relates to the overall course and provides guidance on how the NVQ is formulated and presented. In addition, candidates will attend for briefing and assessment for each of the units within their workplace, alternative venue or by virtual media.
