

NVQ Diploma in Construction **SENIOR MANAGEMENT**

LEVEL **7**

What are the benefits of NVQs?

A convenient route to qualification for busy professionals with flexible timing worked around your schedule. A candidate can commence a NVQ at a time during the calendar year that is most suitable for him/her. Assessment based on performance at work.

This qualification is offered through Pearson Edexcel as the awarding body.

On successful completion of the NVQ level 7 award in Construction Senior Management, candidates can apply for **Chartered Membership of the CIOB by way of a shortened application** as they have already proven competence at a senior level.

Eligibility

This NVQ is designed for senior managers working within the construction-built environment sector. These include contracts and production managers and commercial managers, operations directors of smaller construction companies, property and facilities managers and specialist construction managers; as well as those in Construction Project Management.

Total Qualification Units

Candidates must prove competence in 9 or 10 units depending on personal selection:

Mandatory Units

The candidate is required to complete the following six mandatory units:

- » Manage Project Processes in Construction Management
- » Manage Teams in Construction Management
- » Provide Advice, Judgement and Services Ethically in Construction Management
- » Develop self and others in Construction Management
- » Control Projects in Construction Management
- » Plan a Construction Organisation's Workforce

Optional units:

In addition, the candidate will complete 3 or 4 units from a choice of 13 optional topic areas.

Process

Candidates will be allocated an assessor who acts as mentor and guide throughout the programme. The programme will include an induction which relates to the overall course and provides guidance on how the NVQ is formulated and presented. In addition, candidates will attend briefing and assessment for each of the units. This can be carried out within the candidate's workplace or other location or through a virtual medium.

Competence is assessed by ongoing assessments measured against the NVQ standards relating to specific areas of management. One or two site visits by the assessor may be required during the period of the programme.

Duration

It is normal for candidates to complete the programme in approximately 3 -12 months, although it is possible to do so in a shorter period. Extensions can be negotiated.

COST **£1,995.00** + VAT - Includes registration and certification fees
